

Fairy Houses activity sheet

Do you think that there might be fairies living in your garden? If so then I'm sure that they would love a cosy house to live in during the winter.

Outside

Use sticks, leaves, moss and stones to create a tiny home for them. Remember that they will need a doorway and because it's muddy it would be nice to give them a path too.

Inside

You could use cardboard tubes to create a tiny fairy house, perhaps you could make a village? Use pens to decorate them to attract the fairies.

Challenge - can you write a story about the fairies that live in your house?

This can be done:
Independently or as a group
Inside or outside
Any age
