

Flourish SEN Zoom cafe  
Monday 7th December 2020

9.30am - Welcome and introductions

Hosting

- Alie Otty - Flourish SENCo
- Berenice Ludlow - Inclusion manager

Guest

- Amy Pease - Manager from SEND partnership

First cafe and plan to have regular ones which will become discussions as well as information sharing meetings.

Also want to offer regular parents slots so that individual children's needs can be discussed as the cafes are not the time for those.

9.35am - Where to get support out of school:

Local Offer - link on our website

Family Voice - link on our website

JON - will add a link on our website

SENDiass (Amy Pease presentation) - will add a link on our website

9.55am - What we are doing in school - Staff and provisions for SEN pupils

Inclusion Managers in each School and myself working Monday - Thursday between the 2 schools.

ELSA trained staff - delayed due to Covid but now started. They will support children with their emotional literacy.

Outdoors learning teacher working in both schools.

Lots of resources have been bought or have been ordered so that more interventions can take place.

Interventions look different than they usually will due to Covid. More are taking place within the classroom.

WellComm assessments are being completed and then interventions to support gaps will begin.

Dyslexia Gold screening has taken place and interventions begun to support areas of need.

10.10am - Questions & thoughts about the next cafe

10.30am Finish
