The Flourish Federation Vision

To inspire everyone to flourish, grow and learn in a safe and spiritually rich environment.

Built on the strong foundations of Matthew 7:24

Everyone then who hears these words of mine and does them will be like a wise man who built his house on the rock.

Our Federation's vision, ethos and Christian values underpin and thread through every aspect of our work across our Federation. Our work helps us on our collective journey to achieve our vision for all in our Federation community.

Our Values

Flourish Federation School Health and Safety organisation, responsibilities, and arrangements P611s Part 2 of 2

Health and Safety – our arrangements

Part 2: Organisation and responsibilities, and arrangements

Introduction

Schools where Norfolk County Council is the employer (Community, Voluntary Controlled or maintained schools) are encompassed under the NCC Health and Safety Policy (P611a), and NCC Health and safety organisation and responsibilities policy (P611).

This document seeks to demonstrate how our school as the employer implements our stated legal obligations (the health and safety policy / and arrangements), from the higher organisational level to the local delegated decision making and the arrangements implemented at our school.

The following responsibilities have been assigned at our Federation:

The Governing Body

Responsible for ensuring that suitable local organisational arrangements are in place for the management and control of health and safety within the school. We will ensure that:

- A written commitments statement is created and communicated which promotes a positive attitude towards health and safety in staff and pupils, and those we work with
- Local responsibilities for health, safety and welfare are allocated to specific people, and those people are informed of these responsibilities
- A lead governor for health and safety is nominated
- People have sufficient experience, knowledge, resource and training to perform the tasks required of them
- Clear procedures are utilised which assess the risk from hazards, identify controls and produce safe systems of work that are communicated clearly to everyone who needs to follow them
- Sufficient resources are allocated to maintain a safe and healthy work environment, and operate safe systems of work

- Health and safety performance is monitored and reported, and targets for improvement are set
- The school's health and safety arrangements are reviewed annually
- School staff are consulted on health and safety matters through arrangements agreed with the represented unions or other employee representatives
- School premises are maintained to ensure that associated safety risks are sufficiently controlled
- Our local management of health, safety and well-being considers the needs of anyone with a protected characteristic under the Equalities Act

Lead Governor for Health and Safety

The Lead Governor for health and safety has the following responsibilities:

- To be fully and visibly committed to the Our Commitments statement document - for health and safety
- To scrutinise and review local health, safety and well-being performance
- To provide support and challenge to the Headteacher and the Governing Body in fulfilling their respective local health and safety responsibilities
- To ensure that suitable risk assessments of the premises and working practices are carried out, documented and reviewed

The Headteacher

Responsible for all staff and activities under their control and will ensure that the requirements of relevant safety policies and procedures are implemented and complied with.

They will:

Be fully committed to the Governing Body Our Commitments, ensuring that a positive health and safety culture is demonstrated and promoted through their leadership.

Ensure that appropriate risk assessments are undertaken by competent persons and that suitable control measures are taken on a risk basis to manage the health, safety and well-being risks to staff and any other people who may be affected by the school's activities.

Monitor and review health and safety performance through:

- Undertaking health and safety inspections of work areas/practices in line with relevant policy / Safe systems of work
- Setting local health and safety targets and objectives through appraisals and other supervisory reviews
- Reviewing and learning from incidents.
- Monitoring local contracted work under their control for compliance
- Ensure that the management of health, safety and well-being in the areas under their control considers the needs of anyone with a protected characteristic under the Equalities Act

- Develop adequate local safe systems of work and procedures and ensure that they are implemented and monitored

- Ensure prompt action is taken to resolve any situations that may adversely affect the health, safety and well-being of staff or other people

- Ensure that they undertake all relevant training and staff are given adequate information, instruction, training, resource, and supervision to carry out their duties, paying particular attention to new/inexperienced staff and trainees

- Ensure that all plant and work equipment provided is appropriately selected through a risk assessment process, suitable, properly maintained and subject to all necessary tests, examinations and maintenance.

- Ensure that accidents and incidents (including near misses and instances of abusive and violent behaviour) are reported and investigated, and the findings acted upon without delay

- Ensure information that may assist nominated safety representatives is provided to them

- When commissioning work through partners and contractors, ensure that they are selected and managed in line with statutory requirements and the relevant procurement and contract management processes

Employee Consultation/Safety Representatives

The Governing Body believe that consulting employees on health, safety and well-being matters is important in creating and maintaining a safe and healthy working environment.

Safety representatives of trade unions recognised by Norfolk County Council will be consulted on all matters of health, safety and well-being that may affect staff and on the provision of related information and training. Non-union staff will also be consulted directly or via their nominated Safety Representatives.

Before making any decisions, which could have health, safety and well-being consequences for staff, the governing body will inform safety representatives about the proposed course of action and give them an opportunity to express their views and support the development.

All Staff

All staff have individual responsibility to take reasonable care for the health, safety and well-being of themselves and for others who may be affected by their acts or omissions. They must:

- Always comply with the school's health and safety - Our Commitments statement, and related procedures
- Co-operate with managers in complying with relevant health, safety and well-being systems of work and procedures
- Use all work equipment and substances in accordance with appropriate instruction, training and information received
- Wear, use, store, maintain and replace personal protective equipment as appropriate
- Not intentionally misuse anything provided in the interests of health, safety and welfare

Flourish Federation School Health and Safety organisation, responsibilities, and arrangements P611s Part 2 of 2

- Take part in and contribute to health, safety and well-being inspections, risk assessments etc. as appropriate
- Report all accidents (personal injury and vehicle), ill health, incidents of abusive and violent behaviour, near misses, hazardous situations, general health and safety concerns, defective equipment or premises
- Attend all training relevant to their role

Pupils

Pupils, allowing for their age and aptitude, are expected to be coached and supervised where appropriate, in the following:

- Taking personal responsibility for the health and safety of themselves and others
- Observe all the health and safety requirements of the school and in particular the instructions of staff / supervision
- Use and not wilfully misuse, neglect or interfere with things provided for their health and safety
- The school should also seek to engage with carers or parents as appropriate to support safe and healthy behaviours.

Specific arrangements for health and safety

The following arrangements have been adopted to ensure compliance with the Governing Body's - Our Commitments.

The following areas of activity should have named people allocated for that task following guidance and templates available on [InfoSpace](#).

Health and Safety Training

The Health, Safety and Well-being information on InfoSpace provides a framework for compliance. Anyone involved in the management of health, safety and well-being is required to be competent in their role. The law recognises that knowledge, skills and experience are very important in meeting competence requirements. In most cases, however, training will also be required to complete a person's competence, particularly in relation to following local Norfolk County Council procedures and practices.

In addition to individual knowledge, skills and experience, the training below is recommended to achieve competence in the role, as stated in this policy.

- Health and Safety Leadership for Headteachers and Managers
- Safe Management of Premises – General
- Safe Management of Premises – Asbestos
- Safe Management of Premises – Fire
- Risk Assessment – essential risk management
- Health and Safety Awareness for Governors (e-learning, via [GovernorHub](#))

All training courses will need to be attended once every three years unless the relevant code of practice states otherwise.

Review of Policy

This document will be reviewed at least annually.

We recognise that overall responsibility for health and safety lies with all levels of management having direct responsibility for activities and staff under their control. For these arrangements to be effective, employees throughout the school must play their part in creating and sustaining a positive health and safety culture and must take responsibility for their own well-being with the encouragement and support of their managers.
