Making remote learning work for your child.

Just as in a 'normal' school day your child will need a routine to help them feel secure and ready to learn. The following will help you to achieve this:

- Ensure that you all have had a good breakfast and drink with teeth brushed ready to start the day.
- Everyone, staff, children and anyone else in the house should all be wearing suitable clothing.
- Computers or tablets need to be in a suitable area of your house and your child will need to be seated comfortably.
- If you are joining a live lesson please make sure that you are there at the beginning of the session.
- Please be mindful of the language and behaviour of yourself and others in the room/home.
- Prioritise lessons if needed. We would advise Maths and English (Phonics) should always be completed.
- Take a screen break over lunch, if possible try to get some fresh air.
- Reflect on how well you have done. We are all learners at the moment! If you are doing everything you can - that is perfect!

Any live classes could be recorded and backed up elsewhere, so that if any issues were to arise, the video can be reviewed; any parent who does not wish their child to be recorded needs to make the School office aware.
