

Map making activity sheet

Maps are a fun way to explore your local area and to discover places that might be hidden from view when walking around the pavements and paths.

Can you find a map of your area?

Have you ever looked at a treasure map?

All maps use keys to show the different features.

There are examples on the website for you to look at.

Have a go at making a map of your own.

You could try:

A map of your garden

A treasure map

A map of a new world

A map for your toys

A 3D map

Can you think of any other ideas?

Challenge - make a map for a family member to follow.

This can be done:
Independently, in a group or with an adult
Outside or inside
Any age
