SEND Newsletter 28th May 2021

SENDCo

Alie Otty

Inclusion Manager based at North Elmham

Berenice Ludlow

Inclusion Manager based at All Saints Stibbard

Gail Nelson

Welcome to the third edition of the SEND Newsletter. This will be the last one this school year.

The focus for this Newsletter is transition. This was looked at the SEND Cafe that took place on 23rd June 2021.

Contact A Otty if you'd like to talk about any SEND issue - send@stibbardallsaints.com

Don't forget to look at the SEND section on the Flourish website - As well as key policies it contains useful links and information.

Places to go for general support

Transition

We know this is a really tricky time for all our children moving from one class to another or to a completely different school.

Most children are able to be supported by their class teachers within their everyday learning and experience a positive transition time.

There are some children that find this change more difficult and they will be very upset and possibly distraught by the fact of moving class or school.

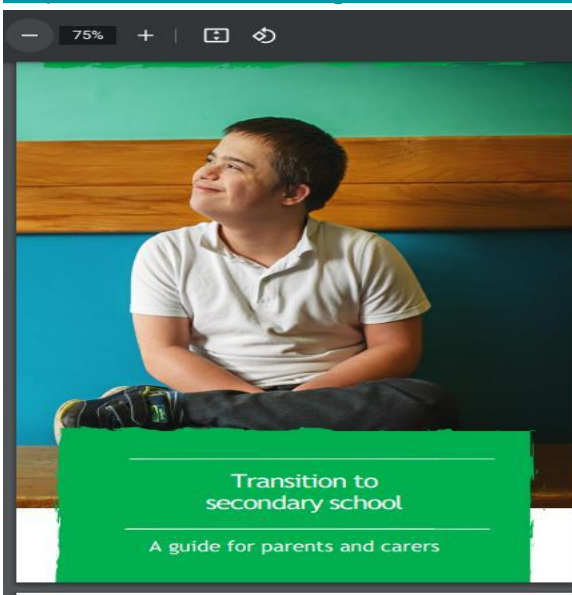

That is why we run bespoke transition sessions with these children. These sessions are run by G Nelson and B Ludlow and are primarily based on resources from ELSA. The children's worries and fears are addressed during these sessions. In September check in sessions will be run for these pupils to support transition.

In addition to this all children will move up to their new class for the last 3 days of terms. This means that they will start their summer holidays by knowing their new class teacher and having most, if not all of their questions answered before the long break which reduces their worries for September.

There are lots of good available resources for parents to support transition across the ages. See below for a few that were highlighted at the cafe.

Resources from County:
