

Wild Weaving activity sheet

During your daily exercise or in your garden look for natural materials that you could use to make a loom. You might be able to find a Y shaped stick which would be perfect!

Wrap wool or string around the wood and then use this as a loom to display leaves, mosses, berries that you find while exploring.

This video will show you how!

<https://youtu.be/iAGa6xkMplw>

Challenge -try making a giant loom between two trees, this could be added to over time.

This can be done:
Independently or as a group
Inside or outside
Any age
