

# Natural paints activity sheet

White - grind chalk into powder and add a little water

Black - burnt wood, ash or charcoal, - mixed with a little water

purple/ red - berries or rose hips - squeeze through a sieve to make puree and add water as nec

Brown - mud/ clay or rotting wood

Red - crush up old brick

Green - pound grass and leaves with a pestle - boil leaves to enhance colour

Did you know that you can make your own paints using natural resources? Use the instructions above to help you to explore the colours to create.

**Challenge** - could you combine this activity with the natural paint brush activity?

**This can be done:**  
Independently or as a group  
Inside or outside  
Any age
