

Nature crowns activity sheet

Step outside! Visit your local green space, woodland park or back garden. • Try to collect different coloured items in the area. • Lay out the items you've found. • Take out a piece of **card**. • Roll out the **double sided tape** and stick it to the card. • Place and stick your items to the tape. • To create a collage effect, layer your leaves and items over the top of each other! • Try to mix and match the colours and shades for a truly bright and bold nature crown. • Ask an older explorer to create a small hole in the end of the card. • Place your crown around your head and to fasten the crown using some strong grass or twine

Challenge - could you add to your outfit? How about making a cape and decorating it, or a bracelet?

This can be done:
Independently or as a group
Inside or outside
Any age
