Dear families,

Everything looks better when the sun shines!

We are all enjoying the beautiful summer weather but please remember to prepare your child(ren) appropriately.

Children all need to be in school with a water bottle. Please ensure you apply sun cream before they come in to school in the morning (with adequate UVA and UVB protection) and have a sun hat.

The Friends at All Saints are providing sun cream in the dispensers in each classroom so children can be supervised with applying cream before lunchtime**. At North Elmham, we will also be providing sun cream. If your child uses a specific sun cream, please feel free to send it in their bag. We are happy to supervise your child applying sun protection but we cannot do it for them unless it states so in a specific care plan.

As the weather is so lovely, from next week, children with packed lunches will be invited to eat them in the shade outside rather than inside. This will be applicable for both home and school packed lunches.

Y1 and Y4 have had a busy two weeks. Y1 have completed their phonics screening and Y4 have completed their multiplication checks. These are national benchmarking tests. Please find further information here:

Y1:

We are all thoroughly looking forward to seeing you at Sports Day. Please do bring a picnic to share with your child(ren). No nuts and alcohol. It will be a busy day so do work with the staff to ensure your child is safe and in the correct place in the afternoon!

Victoria McConnell

** unless you would prefer not to – you can opt out via an email to the office.
