Week beginning November 13th

Dear families,

Dear All,

We have had a busy week in both school's completing PIXL assessments for maths, reading, grammar, punctuation and spelling. It is important for us to identify what your child can and cannot do to enable our teachers to teach the gaps in their learning. We were proud of the vast majority of children for showing remarkable learning behaviours and trying their best.

As we approach December, there will be lots of thing going on. As performance dates and times are confirmed, we will let you know!

Our PTA/ Friends of Stibbard are hosting a wreath workshop (please see below) bookings for this event will close on the 28th November but there are limited spaces available.

As the weather gets colder, please can I remind you to ensure your child has appropriate outdoor clothing. We do like to go outside as much as we can so waterproofs are always a good idea.

Lastly, I would like to ask for your support. We are having lots of problems with children bringing in personal belongings from home. Unless your child has a pre-agreed reason to bring in pens/toys/pencils/balls etc, please do leave them at home.

Thank you so much,

Victoria McConnell
