## Newsletter

week beginning June 24<sup>th</sup> 2024

### Dear families,

How lovely has it been to see the sun? During the heat, can I remind parents to ensure children come in protected against the rays wearing a high SPF. Sun hats are also highly recommended as well as plenty of water. We do have sun cream at school so children can re-apply throughout the day.

Thank you to all who attended Sports day. The teachers (with oversight from PE lead, Megan Skinner) organised and ran the whole day with support from children from a local high school and our Y6 children. I thought everyone was brilliant.

Your child (except Y6) will come home with their school report next Friday (July 5<sup>th</sup>) This will include their attendance report and any formal results (phonics score – Y1, multiplication check – Y4) and the information about your child's class next year.

Y6 SATs results are published the following Tuesday (9<sup>th</sup> July) so Y6 will bring their reports home with their SATs results on that day.

On Wednesday 10<sup>th</sup> July, your child will spend the morning with their new teacher. On that morning, please bring your child to their NEW classroom door where they will spend the morning with their new class. After lunchtime, they will line up with their current teacher and return to their current class for the afternoon. You can collect them at the end of the day from the usual place.

If your child will need some additional support with transition, Ms Otty will be in touch to organise this.

Ms Skinner is leaving us to start maternity this Friday (28<sup>th</sup> June). Next week (Tuesday) Miss Scarlett will start and be with the class for the rest of the year.

I know all the Flourish community can't wait to meet baby Skinner and send love to both Mum and baby.

*Victoria McConnell*

### Funding:

You may have read the news this week that Norfolk have announced a significant reduction in SEN funding for next year.

School leaders are in communication with Sara Tough, head of Norfolk local authority regarding the impact this will have in our schools.

Currently, every child who attends school is funded through the government. This money pays for the school building and bills, leaders, admin and site staff and a teacher and teaching assistant in each class (for a class of roughly 30 children)

Some children have additional needs and additional adults may be employed to support these needs. This funding has become less and less over the past decade and it is now being proposed to be reduced further for next academic year.

This will mean that there are less members of support staff to help the children who need help the most!

We are, of course, doing everything we can to ensure that this does not impact on our children at all.

You can read more here in the local news:

<https://www.edp24.co.uk/news/24414560.norfolk-trusts-warn-council-cuts-will-trigger-job-cuts/>

I will keep you updated with any further news. Any questions or concerns, do not hesitate to contact me:
