Newsletter

week beginning June 3rd 2024

Dear families,

As we enter the final half term of the academic year, we have lots of events activities coming up.

Y4 will be completing their multiplication tables check (MTC) next week and Y1 will be completing their phonics check. Specific letters regarding these assessments in more detail have/will be sent to those year groups.

All children have taken their final PiXL tests in reading, maths, grammar and spelling this week. These are used by teachers to help assess where all the children are academically and where their gaps in learning are. They are used not only to benchmark standards but also to help teachers plan for the learning in class.

A full letter about Sports day will come home with your child(ren) today with their house colour. Sports Day will be on **Thursday 20th June for North Elmham and Friday 21st June for All Saints Stibbard**

Parents/Carers are invited to join us for the afternoon session to see the traditional sports day races. Parents/Carers must stay in the designated area during this time. No photographs or videos to be taken - we will take school photographs and add these to our website. Please bring a chair or blankets to sit on. Your child will be under the supervision of their class teacher/ TA during this time.

Children will need to come to school in a full PE kit and have a water bottle in school for the day and be appropriately dressed for the weather for that day, either with sun hats and sun cream, or an extra layer! Please also send your child into school wearing a team coloured t-shirt if possible, this is not essential as coloured bands will always be available to identify the team your child is in.

When Summer does decide to arrive, can I remind parents to ensure children come in protected against the rays wearing a high SPF. Sun hats are also highly recommended as well as plenty of water.
